DOUBLE CHECK ASSY

DC6L DD7L
DC7L DD8L
DC8L DD8N
DC8N DD8V
DC8V

REDUCED PRESSURE ASSY

RP6L RP8N
RP7L RP8V
RP8L RD7L

DESCRIPTION

Cla Val entered into a private labeling agreement with Febco and received permission to put their name on certain Febco Models. Cla Val sold these assemblies from 1995-2001. The only change was in the color of epoxy utilized. Febco used a grey fused epoxy. The Cla Val models were delivered with a blue fused epoxy. From 1998 -2001 production was changed and only grey epoxy was provided.

For specifications and parts see the following Febco breakdowns:

DOUBLE CHECK ASSY

<u>Cla Val</u>	<u>Febco</u>
DC6L	805Y
DC7L	805YD
