## **DESCRIPTION**

Cla Val entered into a private labeling agreement with Febco and received permission to put their name on certain Febco Models. Cla Val sold these assemblies from 1995-2001. The only change was in the color of epoxy utilized. Febco used a grey fused epoxy. The Cla Val models were delivered with a blue fused epoxy. From 1998 -2001 production was changed and only grey epoxy was provided.

For specifications and parts see the following Febco breakdowns:

## **DOUBLE CHECK ASSY**

Cla Val	<b>Febco</b>
DC6L	805Y
DC7L	805YD
DC8L	850
DC8N	870
DC8V	870V
DD7L	806YD
DD8L	856
DD8N	876
DD8V	876V

## REDUCED PRESSURE ASSY

Cla Val	<u>Febco</u>
RD7L	826YD
RP6L	825Y
RP7L	825YD
RP8L	860
RP8N	880
RP8V	880V
